

# Phylloxera Protocols Register

This register is open to all those engaged in the wine industry on the Mornington Peninsula - all owners, lessees and associated contractors, transport operators, etc. The register will be made public on the MPVA website [www.mpva.com.au](http://www.mpva.com.au). and will allow those who support the MPVA Biosecurity Protocols to publicly confirm that they have an understanding of the protocols and intend to or have implemented the practical implications for Biosecurity of our region. The MPVA will provide this register in good faith that those on the register will work towards or already comply with all protocols.
