Please tick one box only & include any comments

YES, I endorse the motion to apply to Agriculture Victoria to commence surveys with the intention of becoming a phylloxera exclusion zone.

I also give approval of the above details to be provided to the MPVA and Agriculture Victoria for the purposes of managing the PEZ surveys 2017 – 2019.

NO, I do not endorse the motion to apply to the Agriculture Victoria to commence surveys with the intention of becoming a phylloxera exclusion zone.
